2012 Adult Open League Realignment

If you have played in any adult roller hockey leagues recently you are probably aware of the fact that there are fewer and fewer teams in the top divisions. This is a fact not only here at the Fieldhouse but any where you play in Michigan. So this upcoming season the LCRH at the Fieldhouse is going to realign some of its divisions in an effort to even things out across the board, so to speak. Here is what we hope to see improve by doing this:

- Brand new teams that come into a division will not have to try to compete with teams that have been playing in the same division for years.
- By re-establishing our top divisions our more advanced players will still be able to play on multiple days but will be able to do so within those top divisions. Currently we have too many advanced players finding their way on to an Aluminum or an Iron roster so that they can play another day.
- Over the course of time, once we re-structure the divisions, teams will be able to move either up or down a division at the start of a new season depending on their performance the season before. Factors looked at on whether teams will move up or down include: overall competitiveness against the rest of the teams, team record, team goals for, team goals against, penalty minutes, etc.

The NEW Adult Open Leagues at the Fieldhouse starting with the 2012 Winter season

To clarify; if you check where your team fell in the Standings based on this Fall 2011 Season you can see where your team may end up for the next season based on your new roster of course and taking into account any changes. Keep in mind, other teams that played alongside you and were the same caliber will also be playing in this new division, in many cases, we are simply changing the name. This will allow for future growth without causing an imbalance.
