## 2010 Spring Open League Policies

1. **Player Additions** - Teams will have until the day of their 4<sup>th</sup> game to finalize their roster (with LCRH approval). All players must show up on your written roster, your ONLINE roster, and must be approved by an LCRH manager.
2. **Team Contract/Roster & Payment Procedures:** ---- All team Managers, Coaches, or Captains must set up a day and time to meet with a roller hockey manager to register their team for the 2010 Winter Season. At this meeting we will need a completed, signed, written roster. Every player that did not play in the Fall 2009 season will have to submit a signed liability waiver this season ; so we will need these by at least the first game. We will need a minimum of \$200 at this meeting for your team to be put on the schedule. We will need all of your schedule requests for the entire season at this time.
3. **For Adult Open Teams:** In the Iron division a team may be allowed to have a Copper level player on their roster but this must be pre-approved by the LCRH. All Iron division players MUST be 18 years of age or older. For all other divisions, ANY TEAM THAT HAS A PLAYER ON THEIR ROSTER THAT ALSO PLAYS IN A DIVISION WHICH IS TWO DIVISIONS HIGHER OR MORE MUST GET PRE-APPROVAL FROM THE LCRH.
4. **Rescheduling Games:** The LCRH will consider any request to reschedule a game provided that it receives such request at least two weeks prior to the game in question. It should be noted that it may not be possible to reschedule even timely requests for a variety of reasons including the impact of such request on the opposing team.
5. **Jerseys:** All open league teams will be required to have matching jerseys with permanent numbers. The home team must wear light colored jerseys and the away team must wear dark colored jerseys.
6. All players playing in any Adult division must be 18 years old (at some time during the current year). The only exception will be Gold and Platinum. In some cases we may allow a player under 18 play in a lower division. Regardless of the division, all players under 17 must get pre-approval to play from an LCRH manager.
7. The LCRH reserves the right to deem any player ineligible for a certain division at any time during the season. Please make sure you are letting us know of any players you wish to add to your roster. In many cases it may take several games to realize a player is not eligible for a certain division. Keep in mind that if we feel it is necessary to move your team out of a division we will do so; usually within 3 games into the season.
