

# TOUR BORDERCATS

## Attention Roller Hockey Players

**If you are looking to play Open Roller Hockey on a team which will practice and play in tournaments together year round than please consider the Tour Bordercats!!!**

**If you are currently on another roster here at the Fieldhouse in an Open division we must have approval from your current Coach in order for you to participate in our try outs.**

As you know, there is both a time and financial commitment involved with playing on an Open level roller hockey team. Costs will include league fees, tournament fees, possible travel fees, and equipment fees. This team will have practices and we expect any other roller hockey commitment to come second to any Bordercat practice, game, or event. Fundraisers will be held to offset some of these costs.

These teams will be formed to participate in local roller hockey tournaments, national tournaments which may be held outside of Michigan, and league play which usually means playing in a division higher than usual to help prepare for the grind of the Summer tournament schedule.

## Try Outs

6 & Under	03's and 04's	Saturday, December 19 <sup>th</sup>	3:30pm
